A meeting of all those interested in organizing a Soft Ball Club has been called for tonight to meet at the office of County Agent C. M. Merritt.

Mrs. Hilmar Mangold of Castroville has been spending the week with relatives here. Mrs. Mangold was formerly Miss Elsie Schuehle of Hondo.

Mrs. Robert de Montel of Castroville and daughter, Miss Mollie de Montel, of San Antonio spent Saturday with Judge and Mrs. H. E. Haass and other relatives.

Mr. and Mrs. W. J. Crowley and daughter, Mildred Raeder, of D'Hanis visited at Randolph Field last Wednesday and were entertained by Major and Mrs. C. H. Dowman.

H. E. Haass, Attorney-at-Law, Surveyor's Office, Courthouse, Hondo, Texas. All legal matters carefully attended to, in all courts of Texas. Manager Medina County Abstract Company.

IS YOUR INSURANCE MAN ONE WHO LIVES AMONG YOU? OR ONE JUST PASSING THRU?

For Every Form of Insurance See O. H. MILLER, Hondo, Texas. Since 1907

A two weeks Revival Meeting at the Hondo Methodist Church begins this Sunday, March 15th. Services will be held at 10 A. M. and 7:30 P. M., with Rev. J. L. Bryant the Evangelist. Rev. Shan M. Hull, the pastor, invites all to attend.

Ben Balzen was down from the Tarpley country Wednesday and while here paid our office an appreciated call. Mr. Balzen said his section got none of the Sunday morning rain, but that moisture conditions are fine nevertheless.

Ferdinand Boehme of Mico was in town on business and while here paid the printing office an appreciated call Monday. Mr. Boehme was a pupil of the Managing Editor of this paper when he taught the San Geronimo School during the term of '98-'99.

Workmen have been busy for the past several weeks re-roofing and otherwise repairing the depot. After carpenters are through the building will be re-painted. When thus freshened up, coupled with the railroad park, Hondo will have a beauty spot right in its very center.

W. B. Melton was a business caller at this office Wednesday. Mr. Melton has recently been appointed a State Conservation Director, and expects to be called to a conference of his superiors and co-workers in San Antonio when the work will be planned and duties assigned.

Lenten services are being held every Sunday, Wednesday and Friday night in St. John's Catholic Church until Easter. Benediction of the Blessed Sacrament is held on each of the three nights, with rosary on Sunday and Wednesday nights.

The pastor, Rev. T. A. Flynn, gives a short sermon on the Ten Commandments every Wednesday evening. Services begin at 7:45 P. M.

HONDO FIRE DEPARTMENT REORGANIZES.

The blowing of the fire alarm Wednesday night was the signal which called a meeting at which a new fire department was organized. A little group of men met at the court house Wednesday night and decided to offer their services for protection against the hazard of fire. R. J. Kelly called the meeting to order, and said that the time had come for action. He stated that the town had fire fighting equipment, but that the members had lost interest and the equipment was becoming obsolete and in need of partial replacement and in case of a big fire the equipment would not fight it without men to operate it.

Judge Noonan then made a little talk in which he stated that in his opinion the meeting was being held at a very opportune time. He went further by saying that should we be threatened by an invasion of some enemy, no one would hesitate to give even his life for the protection of our homes, and that there is nothing more menacing nor destructive than a fire.

To quote Judge Noonan: "Now is the time to close the stable, and not wait 'till the horse has gone". He said that we had been very fortunate in not having had any very big fires, but that did not mean that we could not have one, and commended the boys on their stand of organizing before such a calamity should occur.

While a few of the business men were present the Department needs the support of them all, and we feel sure that they will be represented at the next meeting, which will be held at the fire house next Thursday night.

The following is a list compiled by M. F. Schweers, who acted as secretary at the meeting of those who pledged their services as firemen:

C. J. Bless, P. H. Renken, R. J. Kelly, Alfred Breiten, J. B. Dawson, Alois Hornung, Herman Weynand, M. G. Heyen, Preston Gaines, R. M. Chapman, Thomas Specht, Wesley Breiten, Eddie Breiten, Aaron Boehle, Bru Miller, Welton Meyer, Edwin Bendele, Benny Crow, O. G. Crow, George Brucks, Elmer Leinweber, Frank Rucker, and M. F. Schweers.

Anyone who wishes to offer his services will be welcomed at the meeting to be held at the fire house next Thursday night, March 19th.

ST. PAUL'S LUTHERAN CHURCH.

"What communion hath light with darkness? And what concord hath Christ with Belial?" II Cor. 6, 14-15. "O Christ who are the light and day, Thy beams chase night's dark shades away."

The very Light of Light Thou art, Who dost that blessed Light impart."

Two walking through the night and the darkness: Jesus and Judas. It is really Light and Darkness, that have no concord one with another. The powers of darkness press down upon both Jesus and Judas on that gloomy Thursday night of Passion Week, but what a difference! The one is a slave under the night, under black thoughts of evil. The other is Master over it, a messenger of God. Judas walks in the night over the brook Kidron, treading the way to his own doom, his own undoing. Like Absalom who turned traitor to rob the throne of his own father David, Judas would rob the royal honor from his True Friend . . . Jesus walks this same way in the night. Like David a thousand years before Him, Jesus leaves the city. But He goes to meet His traitor, not to flee from him. He prepares to really ascend the royal throne in His Kingdom, which is not of this world. Darkness hideth not from God, and even night shall be light with Him.

"May we never walk the way that Judas trod."

By the grace given us from God; May we rather to our Christ surrender;

Light and Life receive which He alone can tender."

The fourth mid-week Lenten service will be held on Wednesday night, March 18, beginning at 8:00 o'clock. The subject will be: "Two Friends; One False, the Other True". We invite you to dwell upon the sufferings of your Savior in solemn worship.

Sunday, March 15, English service at 10:30; Spottville 2:30.

BIRY TO GET SIX THOUSAND DOLLAR SCHOOL HOUSE.

A WPA project has been approved in the Uvalde office whereby the Biry two-teacher school building which was recently destroyed by fire will be replaced. The building will be built of native stone, will be very much more elaborate and strictly modern in every detail. The entire cost of the construction will approach \$6,000.00.

School is being held for the remainder of the year in the Ira Schmidt residence in Biry.

SOFTBALL MEETING TONIGHT.

A meeting will be held tonight, Friday, March 13th, in County Agent, C. M. Merritt's office, for the purpose of organizing a Softball League for the coming season. All persons interested are urged to be on hand promptly at 7:30 P. M.

Sam Houston's "Man" Gets a Job

"Uncle Ro" Adams, once body servant to Gen. Sam Houston, will be 100 years old, March 2, 1936, the day Texas, where Gen. Houston ever will be a historic figure, celebrates its one hundredth year of independence from Mexico. "Uncle Ro" is shown above as William A. Webb, manager of the Texas Centennial Exposition, which opens at Dallas June 6, assures him he will have an Exposition job.

GLOBE-TROTTERING REPORTER, JACK LLOYD, VISITS HONDO

Jack Lloyd, 67-year-old soldier of fortune, adventurer, veteran of many wars and revolutions, known throughout the world as "Burning Daylight" and hailed by the newspapermen of the country as the "original Globe-trotting Reporter", was a visitor in Hondo Monday.

According to Jack . . . since he has been "hitting the road" booms the world over have been his favorite "meat" and he tells you that whenever there is any boom of any kind . . . he generally manages to "make the spot".

The first great boom that Jack "made" was the time that the "little bits of glass" were found on the Veldts of the Kimberly. At that time Jack wrote many of the feature articles for the leading American and European papers regarding the greatest diamond rush known in the world.

It was during the days of the great Alaska boom, when the cry of gold was heard from the famous Klondike and Yukon, that Jack broke into the "limelight" for it was after the colorful life of Lloyd that the late Jack London wrote the story of "Burning Daylight" after . . . and while taking of Alaska, Jack tells you of the time that the late Tex Rickard on the country "broke" and chopped wood . . . before he opened up the famous Great Northern . . . how Alex Pantages was a "bouncer" in a dance hall . . . and how Rex Beach was on the "hog" when he was getting material for the "Silver Horde".

All of the great mining booms of the west . . . in the days of the "Gay Eighties and Nineties" knew Jack, and he recalls the best of them as he tells you his story. Leaderville was the outstanding of them all, says Jack . . . and he tells you of the famous character of that camp . . . the one and only "Silver Dollar" larder, the black hills with its famous characters of Pecos Alice, Calamity Jane and Deadwood Dick . . . the covered "Alene country in Idaho . . . Cripple Creek, Butte, . . . Helena, Silverton, Curay, Alamogosa, Virginia City, Goldfield, Tonopah, Carson City, Bingham, Canton, Marysville, Denver, Provo, Price, Las Vegas, Caliente, Mojave, and all the rest of the camps that "made" front page in their best days.

Since oil has become the cry of the world, Jack has followed the "string of derricks" the world over. He can tell you of the gushers in Baku, Russia; tell you of the Colombia field, Venezuela, Tampico, Indio China, and the Trinidad field, and every field in the United States and Canada. Then as he recalls the best fields he tells you of the best fields that he "made" in Texas, Spindie Top, Ranger, Goose Creek, Sour Lake, Burkholder, Powell, Mexia, Currie, Nocona, Wichita Falls, Wink, Bor-

CHICK CHIRPS.

The M. E. dropped into Mr. Joe Wilson's chick hatchery in the Metzger building yesterday morning and found it about the busiest place in town. Both the big electric incubators were buzzing at full capacity and the chirping that came from the brooders took one back in memory to the old barnyard in the spring.

Mr. Wilson reports a very gratifying volume of business, especially in custom hatching. The demand for the purchase of baby chicks is also unusually strong.

The high cost of meat at the present time, coupled with the abundance and cheapness of grain, no doubt accounts for this. It is only six or eight weeks from the baby chick to a nice fryer at a very low cost to grow and the hatchery business is feeling the stimulus of the demand for low-cost meat.

We do all kinds of job printing.

PREPARING FOR BALL SEASON.

College Square is being fenced on all sides and a back-stop erected in preparation for the opening of the ball season. The ground has been cleared of rubbish, leveled off and rolled and when completed will be an ideal athletic field. Accessible from all sides, baseball fans will find it convenient to enjoy their favorite game.

College Square was set aside by the railroad company when the town was located by it and donated to the town for a college. As no college has ever been built on the ground, it has remained a sometimes sadly neglected and not infrequently abused common. Citizens generally, regardless of their interest in sports, will no doubt rejoice that the School Board is giving some attention to this neglected spot, and a centrally located and well arranged athletic field will be quite an asset to the town.

COMMISSIONERS' COURT.

The Commissioners' Court of Medina County met at the courthouse in Hondo Monday for the March term. All members were present. In addition to routine business, the court canvassed the votes held in J. P. Precinct No. 5 of Medina County for local option in the sale of liquor, and also the votes cast in the recent \$20,000 park bond election. The following are the official tabulations:

For Sale of Liquor:
For or against sale of liquor:

Total	1630	431	1187

The court ordered that the resignations of Ben Oefinger and Fred McWilliams as judges of election for Precinct No. 1 be accepted and that Robert Graff and Fritz Martin be appointed as judges to fill the vacancies.

After bills were approved, the court adjourned.

COLONIAL OFFERS EXCITING FILMS FOR THE WEEK.

A snappy newspaper yarn with a murder mystery, hilarious situations and Bette Davis and George Brent as happy lovers but rival reporters are all woven into "Front Page Woman" the Warner Bros. attraction for the Colonial screen Friday and Saturday. Miss Davis refuses to marry Brent until she proves she is as good a newspaper-hound as he is, and he does everything possible to discourage her. But she finally tops him on an assignment, brings a murderer to justice, with Brent admitting she has made good, and the picture closes with a promise of wedding bells.

Murder in a movie studio is the theme of "The Preview Murder Mystery", which shows Monday and Tuesday at the Colonial, with a cast headed by Reginald Denny, Frances Drake, Gail Patrick, Rod LaRoque, George Barbier, Ian Keith, Conway Tearle and Jack Mulhall. Robert Florey directed seven pictures when he made "The Preview Murder Mystery". The action takes place in a movie studio where three comedies, one Spanish romance, one G-Man picture and a horror film are in production. "The Preview Murder Mystery" uses all of them for a background.

Forecast: Due to show here in the near future, "Trail of the Lonesome Pine" in natural color.

DR. AND MRS. SMITH HOSTS.

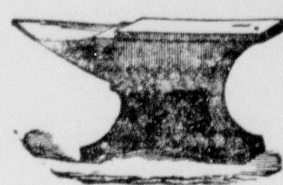

The Wednesday Night Bridge Club personnel and several additional friends were guests of Dr. and Mrs. W. H. Smith Tuesday evening of this week. After several games of bridge, trophies were awarded Mrs. O. B. Taylor and Mr. Earl Starnes for members and Mrs. O. H. Miller and Mr. J. G. Barry for guests. Refreshments of chicken sandwiches, olives, shaddock mints, coffee and chocolate were served. The guests were Dr. and Mrs. T. B. Knopp, Mr. and Mrs. L. E. Heath, Dr. and Mrs. H. J. Meyer, Mr. and Mrs. Earl Starnes, Mr. and Mrs. M. L. McDowell, Mr. and Mrs. J. G. Barry, Dr. and Mrs. O. B. Taylor, Mrs. O. H. Miller, and the hosts, Dr. and Mrs. Smith.

FOR SALE.

TVA IS LEGAL—BUT IS IT WISE?

The Supreme Court's recent decision holding the Tennessee Valley Authority constitutional, insofar as the points at issue in the test case were concerned, has served to partially clear the clouded air that has surrounded the Federal government's most ambitious venture into realms that have in the past been considered the exclusive province of private business. The issue is no longer a legal one—it has now left the courts and must in the future be considered purely in the light of public policy.

The Supreme Court is a judicial body, without authority to venture an opinion as to the wisdom of an Act of Congress. The Court's sole interest in any case is to interpret a law or a decision of an inferior court in the light of the basic law of the land, the Constitution. In the present case, the Court found that the government may build dams for constitutional purposes, that it may sell electricity generated by such dams, and that it may take steps necessary to moving that electricity to a market. Constitutionality of the TVA as a whole was not involved, and the Court may in the future be called upon to decide the legality of other phases of TVA's vast social and economic undertakings.

However, even if all of TVA is eventually held legal, is the precedent established by the Authority a wise one, that squares with democratic institutions, and with a national philosophy that has always encouraged the freest possible play of private initiative? The TVA is nothing more or less than a tax-subsidized, socialistic project, competing with private business. Its activities in the Tennessee Valley must be paid for, now or in the future, by all of us—by the taxpayers of Maine and Michigan no less than the taxpayers of Alabama and Tennessee. In its power operations, it threatens the existence of private utilities—representing hundreds of millions of dollars of ordinary citizens' invested savings—which have long served their areas well and progressively. And it is of great practical importance to remember that a responsible spokesman for the private power industry has publicly stated that if his company were given the same legal and financial subsidies as TVA has been given by Congress, it would be able to undercut TVA rates by at least 25 percent.

TVA deprives states of vast tax revenue—it pays a 5 percent tax on its gross wholesale power sales, while private utilities pay a tax of about 12 percent on gross retail power sales. It deprives communities of all the tax revenues that accrue from private utility operations—and a number of towns have voted down proposals to build municipal plants to use TVA power on that account. And, most serious of all in the long view, TVA establishes what amounts to a paternalistic dictatorship over the region it serves.

Advocates of government-business men will attempt to use the Supreme Court's decision to advance the creation of other and similar authorities for other sections of this country. And that puts the responsibility for the future security of billions of dollars of savings of hundreds of thousands of investors in every section of our country, squarely on their shoulders. Do the American people want government ownership of industry instead of private opportunity? If they think they do, they should first realize that such a program marks a long step on the road to socialism.—Industrial News Review.

CANCER ON THE BODY POLITIC.

A recent editorial in the Manufacturer's Record presents some statistics which are of vital concern to every citizen—worker or employer, millionaire or day laborer.

According to the Record, there are more than 10,000,000 persons receiving salaries or aid from the Federal government. (This figure included 3,400,000 receiving AAA payments, who no longer receive them following the Supreme Court's AAA decision. However, the new farm plan will also include payments to farmers, so the chances are that the number of agricultural beneficiaries will not change greatly.)

Eliminating duplications, the Record continues, the total number of persons receiving Federal money comes to about one-fourth of the total number voting in the last presidential election.

More persons are getting Federal money than the number engaged in manufacturing industries. Almost as many persons are directly or indirectly on the Federal payrolls as the number engaged in agriculture. And the list of Federal beneficiaries is nearly double the number of persons engaged in trade on their own accounts in this country.

of Henry A. Mercer of Crystal City,

and J. Albert Mercer of New Braun-

fels. Also surviving are a daughter,

Jaclyn Delvayne Mercer, and a sis-

ter, Mrs. M. S. Martin, of San An-

tonio. At one time the three Mercer

brothers resided in Hondo and still

have many friends here. Services

were held from the chapel of Hagy

& McCollum in San Antonio Monday,

March 9, at 2 P. M., with Rev. B. H.

Nobles officiating. Interment was

made in Mission Burial Park.

SCHDEULE OF EVENTS

Medina County Rural Meet To Be
Held at Shook School March
20th and 21st, 1936.

FRIDAY, MARCH 20:
9:00 A. M.—Spelling, Mrs. Myrtle
Breiten, Director.
First and Second Grades, Room 1.
Fourth and Fifth Grades, Room 3.
Three-K Contest, Room 2.
10:15 A. M.—Spelling; Mrs. Myrtle
Breiten, Director.
Sixth and Seventh Grades, Room 2.
Eight and Above, Room 2.
Picture Memory, Room 3; Miss
Grace Saathoff, Director.
11:05 A. M.—Arithmetic; Mrs. Mar-
vin Schweers, Director.
Third and Fourth Grades, Room 3.
Fifth and Sixth Grades, Room 2.
Seventh Grade, Room 1.
1:00 P. M.—Spelling; Mrs. Myrtle
Breiten, Director.
Third Grade, Room 3.
Ready Writers, Room 2; Miss Ella
Nova Bendele, Director.
2:00 P. M.—Athletics; Matt Bader,
Director.
Sub-Junior Playground Ball.
Junior Boys' Playground Ball.

in Room 3 when announced from
stage; Mrs. Inez Balzen, Direc-
tor.
1:00 P. M.—Centennial Singing.
2:00 P. M.—All Track and Field
Events.
MATT BADER,
Director General.

SO MUCH FOR SO LITTLE.

FARMING is in a position to do an
unusually good turn for its friends
by furnishing them both FARMING
and The Pathfinder a full year for
the bargain price of only \$1.00. The
Pathfinder is America's most appre-
ciated weekly magazine, published at
the Nation's Capital, for all the na-
tion. It deals with politics, govern-
ment, science, industry, world events
and every subject that intelligent
people want to know about. It is not
partisan. It never boasts favored
individuals or pet doctrines. In The
Pathfinder you get much interesting
information—many pertinent facts
that are seldom published elsewhere.
You and your whole family, young
and old, will like The Pathfinder, as
millions of others do. FARMING
and The Pathfinder make a splendid
team; each one supplements the other
to give you a COMPLETE reading
service. You need both of them.
Don't miss this chance.

IMPROVED STOCK FARM.

A 200-acre stock farm near Tar-
pley. Ninety acres in cultivation,
balance in pasture and all fenced
sheep-proof. Two wells and gas en-
gines and permanent running water.
Good residence with barns and out-
houses. An ideal home for a stock-
farmer. For price and terms see
either member of

Miss Hetty Nester spent the week
in San Antonio with her sister, Mrs.
James Bailey. Mr. and Mrs. Bailey
recently moved from Natalia to San
Antonio to make their home.

A large number of Hondo people
were in San Antonio last Friday for
the commemorative services at the
Alamo on the 100th anniversary of
its fall. We are unable to name all
of them.

Another nice rain fell over this sec-
tion last Sunday morning. The pre-
cipitation was light, but falling so
soon after the last rain it made the
soil wet enough to delay planting of
corn for a few days. Moisture con-
ditions are now almost ideal where
land has been properly prepared.

"Sitting Pretty Night" at the Co-
lonial Theatre this Friday night will
have \$10.00 ready for some adult
seat-holder, five more over last week
as the occupant of the seat called last
Friday was a child. At the bank
night event, the named called for the
first \$100 account was Miss Helen
Bohmalk of Yancey; that called for the
second \$100 was Mrs. Henry Lin-
deburg of Hondo; and the last called
for the \$40 account was Mrs. G. L.
Gerfers of Hondo. The bank ac-
counts for next week total \$260.

After many months of searching,
advertising and corresponding in an
effort to locate all the heirs of
Adolph Eckhart, deceased, Mr. Joe
Ney, administrator of the estate, on
Monday of this week paid a legacy
of \$1,300 to Harvey Bryan, 28, of
Mexico, Missouri, as his part of in-
heritance. Bryan, a nephew of the
deceased, read the ad in a Kansas
City newspaper and lost no time in
coming to Hondo to establish posi-
tive identification. Eckhart was un-
married but left a number of brothers
and sisters and half-brothers and
half-sisters. Mr. Bryan left the next
day for his home in Missouri.

OFF-HAND OBSERVATIONS

BY R. R. CLARIDGE,
Staff Contributor.

As these few lines are typed, the indications are good or bad, as you please, for another world war; with the wholesale slaughter well under way in Ethiopia. And, with a chip on each shoulder, and the most powerful array of battleships on earth, standing over the Suez Canal, Great Britain bids fair to be the next phase of the international blood-letting tragedy.

Can this nation keep out of it? With 25 billion dollars loaned and invested abroad; with thousands of our citizens living in foreign lands, retaining their American citizenship and expecting American protection; with our war-lords and makers of war material prizing up for the main glory and money in it; with our young generation of he manhood strutting all over the country in war toggery, and the girls admiring the pageant, it is a safe bet that the old U. S. will be up to her neck in the coming hell's holocaust.

We hear a good deal of late from the bunk promoters, about "social security". In its essence, it has a good meaning; namely, a higher standard of living for all who need a raise. But it will never come.

From political "grinding of axes". Or wholesale and retail raising of taxes.

On a day last June, a gang of money-mongers from 41 nations, big and little, got together in the biggest fool city on earth to try to get the world back on the gold standard. The vote for the proposition was unanimous; naturally, for the reason that they were credit men, fattening on the interest of money tacy owe, or their chamber of commerce tools. At the time these racketeers met, if I mistake not, France and old Holland, were the only countries on earth which still held on to the gold fetish, and still have the animal by the tail; though France of late, is getting worried over the extent to which her gold is piling up in Uncle Sam's strong box.

It's hard to keep track of how fast the neck-and-belly trust is importing foreign gold, and still more difficult to imagine what the dickens is ultimately to be done with it, when we get all there is in the world. It would seem that sooner or later, there would be a limit to the American tax money with which to denude the rest of the earth of its yaller metal. About a year ago, the gold horde in the U. S. treasury was around five billion dollars worth. But recent statement gives it as over ten billion dollars, or enough to pay a third of the national debt.

But, if the gang running the government should decide to pay out the gold on the government debt, it would go to the credit men, because

they own the debt, and what would they do with the gold? Naturally, they would rather keep their bonds. And, if it should be decided to turn it loose for the benefit of a half-starved, half-naked people, even if nothing better in sight than converting some river bottoms into slave farms, building \$3,000 houses for tennant farmers, with about as much show to pay for them as Uncle Sam will have to balance his budget, it will be better than where the gold is right now.

But that would be inflation, and the N. and B. trust would hate it with gold just as virulently as they hate the Dr. Townsend-Wright Patman plans to get some badly needed inflation loose with Abe Lincoln greenbacks, for the reason that there is no rakeoff for the credit men in the one or the other; and the one just as good as the other, except that the paper dollar is more convenient. Finally, folks, if you can imagine why we are spending billions to monopolize the earth's gold, let me know, please. I would also be glad to know what good it is doing anybody where it is.

P. S. Come to think, how would this do for a guess: Maybe if the gang with depression in this heads, instead of their stomachs, take up with the gold surplus, a third of the bondholders who receive the gold, may have a chance to devote it to the purchase of another ten-billion interest-bearing bond issue.

Salmon, Texas.

A WISE PROGRAM

BY CURTIS VINSON,
(Publicity Agent, A. & M. College.)

In planning the agricultural program for 1936, Texas farmers can and should take out a \$250,000,000 group insurance policy", H. H. Williamson, director of the Texas Extension Service, said today.

This, he explained, means simply the adoption of a "live at home" program on every Texas farm.

Such a program of "insured or protected" farming, outlined and stressed at all of the Extension workers conferences in December when plans for the new year were being considered, is, in the light of present conditions, especially important, he added.

"In this immediate period of uncertainty and confusion engendered by the abrupt halting of the agricultural adjustment program, the economic importance of a live at home program on the farm is emphasized more than ever," Williamson said.

"Such a program is not only economically sound but it is beyond controversy. Immediate decision on the part of farmers to adopt such a program would represent a definite and a sound step in planning for the new year, irrespective of whatever may happen insofar as government crop control is concerned.

"The half million farmers in Texas today no doubt, figuratively speaking, are scratching their heads and pondering over their farm programs for 1936," Williamson continued in amplification of the need and in explaining the details of a widespread "live at home" program.

"It is only a few weeks before it

will be time for seed to go in the soil. There is no knowledge of the probable planting, harvest or price of farm crops for 1936.

"The real purchasing power of the farmer is the difference between the cost or expenditure for production and the amount received. The cost of the food and feed consumed by the farm family and livestock has a direct bearing on the cost of production.

"It has been conservatively estimated that the value of the food supply of the average farm family of five, provided it is well balanced, has a retail value of approximately \$500 a year. This means that the farm table market of Texas is worth \$250,000,000 which is equal in value to five million bales of cotton at 10 cents a pound.

"The Extension Service is recommending that each farm family, insofar as possible, take out a \$500 protection policy by including in their 1936 farm program such features as will make possible the production and storing of an adequate food supply for home use. This is equivalent to group insurance.

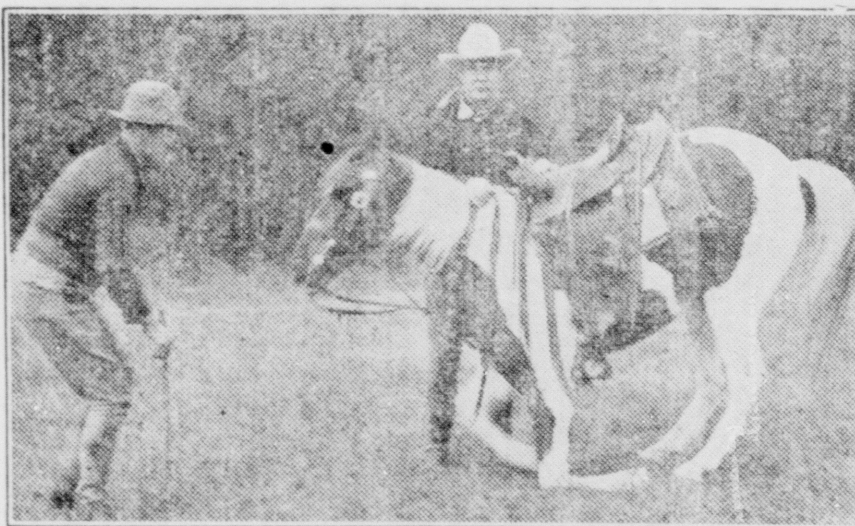

"If such a program could be carried out completely by each of the half million farm families it would mean approximately 250,000,000 acres of garden and truck crops for home use, 250,000 acres in half acre plots of fruit for home use, twenty-five million hens for an adequate supply of eggs and poultry for home use, one million head of hogs of average weight for the smoke house for next winter and a daily consumption of milk on the farm of at least a million gallons.

"It will be recognized that such a program as outlined is not sufficient within itself. It must be part of a larger program. There must be a cash income, but no part of the cash income, large or small, should be for the purchase of food and feed products that can be produced on the farm. If this expenditure is eliminated or reduced there is more money for debt paying, education of children, for clothes, for better homes and more comfort in the homes."

Instructions to county and home demonstration agents throughout the state to take to the field and to push vigorously through community groups, both organized and unorganized, the 1936 "live at home" program have been issued by the Extension director. Special stress will also be placed on the enrollment of demonstrators and 4-H club members, and on soil conservation and other phases of Extension work.

Declaring that the opportunity for the Extension Service to render timely and helpful service to agriculture and the farm people was never greater than at present, the Extension director stressed the importance of clear thinking and caution.

"The Best Trained Horse in Texas"

Captain Leonard Pack, chief of the Texas Ranger force at the Texas Centennial Exposition, puts his famous trained horse, Pinto, through his paces at Kiest Park, on the outskirts of Dallas. Assisting Captain Pack, who for 25 years has been one of the Southwest's best-known peace officers, is Jerry Wolfe, noted rodeo star. Pinto is said to be the best trained horse in the Lone Star State.

PENSIONS, STATE AND
FEDERAL.

While this article speaks mainly of a proposed amendment to our Texas Constitution, it applies equally to other states. Close calculation shows that the proposed \$15 per month pension award to Texas citizens would prove to be an intolerable burden to the taxpayers of Texas, especially under our present methods of money and taxation. And yet, over and above all arguments to the contrary, there is an unanswerable necessity for pensions to the aged, cripples and orphans.

Two questions arise, where get the money and which should pay the pension, the Federal or State Government? States do not originate money and increased taxation for pension purposes is unthinkable at present. Then what? The Federal Government must issue the necessary funds.

Texas, as well as other States, are now interested in pension laws because our National Congress is belaboring itself to create a National Pension law to be administered by the states under an equal division of necessary funds; hence our proposed Texas amendment means well but is deficient in a broad view of related questions. The plan of tying together the State and National Governments in a 50-50 responsibility for funds, is vicious in the extreme, and was no doubt conceived and designed for the purpose of fixing forever the present bond system on the American people.

Hence, that part of the Amendment which alludes favorably to the 50-50 partnership with Uncle Sam was a stupendous error. If this Federal addition be made a reality in the final work-out, then the enormous taxation just mentioned, will probably be doubled or trebled.

Both the State and National funds for this pension work would have to be procured at the present by interest bond issues to be lifted by increased taxation on the people. It is figured that present taxes would soon be considerably more than double. This would certainly be destructive to State welfare. But this pension concept should be carried out in a practical light, for thus only can a civilized people show forth humane instincts in keeping with its claims of moral advancement.

To this end I am suggesting that our people refer this Amendment back to our next Legislature for reconstruction so as to include the following changes, viz.: Call only for National payment for pensions; make the monthly amount \$30, or more, instead of \$15, and then let every State Legislature memorialize and recommend to Congress that it immediately use its power to "coin money" and issue sufficient for pension purposes uniform in all the States, and prorate the same in accordance with vital statistics to the various State Governments for their distribution as each State law may direct.

It is inhuman for the Government not to institute some form of pension for the relief of the aged, cripples and orphans; and it is both inhuman and imbecilic to institute it by the present process of borrowing and paying interest to idle money merchants.

It would be practical and rational to institute it by issuing the money direct to the pensioners without paying it first through the hands of the money manipulators. Let us all be sensible enough to demand of our Congressman that such a law be passed. Oh, you say, how can the Government ever get that money back? Ans. If it needs it back, levy a graduated income tax and a graduated property tax for deflation and depletion purposes, and all would be well.

P. A. SPAIN,
Paris, Texas.

The natural resources of Texas are estimated to be about 15 per cent developed. Less than half of its tillable land is under cultivation. It has a population of 22.2 persons per square mile. The national average is 41.3. Texas could accommodate within its borders one-third of the population of the United States and still be no more densely populated than Ohio.

Texas produces twice as many sheep as any other state, and 20 per cent of the nation's crop of mohair is produced in Texas.

After You have Read Farming

And after all of your family are through reading it, do not throw the paper away or destroy it. If it is not wanted for filing for future reference, think of some one whom you might interest in becoming a subscriber and do both him and the publisher a gracious favor and, with a view to getting him to subscribe,—

Hand it to Your Neighbor

Fletcher's *STATE RIGHTS* Farming

FLETCHER'S STATE RIGHTS FARMING is an independent, individually owned Farm and Live Stock Journal devoted to the development of the Farming and Live Stock industry and the entertainment of the Rural Home. It is edited by Fletcher Davis, formerly editor of the Texas State Department of Agriculture's Monthly News Bulletin, under Commissioner George B. Terrell's administration, and founder and editor of the Market Journal and later of the Market Section of the News Bulletin, under former Commissioner Fred W. Davis's administration. Previous to this experience, he was for four years a Farmers Institute Lecturer and Organizer. Following Hon. Fred W. Davis's retirement from the State Department of Agriculture January 10, 1931, he joined FARMING'S staff as Contributing Editor.

Every month FLETCHER'S FARMING is filled with interesting and timely matter, just such as you find in this issue.

If you are not a subscriber, this is a sample copy sent to you as an invitation to give it a trial. If you are a subscriber it is a request that you call the attention of your neighbors and friends to it and induce them to subscribe for it. In single subscriptions it is 50c. a year or it will be sent three years to one address for \$1.00.

If neither of these propositions appeal to you look over the club orders herewith and let us have your subscription.

If you prefer any of the below named magazines or newspapers, FARMING and either one of them will both be sent for the price marked thereafter as follows:

HONDO, TEXAS, MARCH 13, 1936

LACOSTE LEDGERETTES.

From The LaCoste Ledger.

Henry Franger from Delta was a business visitor here last Saturday.

Theodore Trip from Macdonia was a LaCoste visitor Wednesday.

E. C. Bippert from the Sauz was a business visitor here last Friday.

Phil A. Scherrer and son from the Sauz were visitors here Wednesday.

Ed. J. Trip from Macdonia was a business visitor here last Thursday.

Mr. and Mrs. Joe Lamson were San Antonio visitors Wednesday.

Mrs. Frank A. Bohl is on the sick list this week.

E. J. Trip from Macdonia was a business visitor here Tuesday.

Messrs. Louis Gross and John Geiger were Hondo visitors Monday.

Otto Kuehn from Atascosa was a business visitor here last Thursday.

Albert H. Jackel and son, Charles, from Atascosa were short visitors at our office last Saturday.

Sheriff and Mrs. Chas. J. Schuehle of Hondo were visitors here and in San Antonio Wednesday.

Mr. and Mrs. Emil Elmendorf and baby of San Antonio spent Sunday here, the guests of homefolks.

E. G. Lamson from Castroville was a business visitor here last Thursday.

Wm. Tschirhart from the Sauz was a business visitor here Wednesday.

Mrs. Louis C. Lessing and daughter, Miss Marie, from Macdonia were LaCoste visitors last Thursday.

Albert Biediger from Spindletop was a business visitor here Wednesday.

Mr. and Mrs. Ernest Hutzler from the Sauz were LaCoste visitors Wednesday.

Albert Biediger from Spindletop was a business visitor here last Thursday.

Mrs. Wm. Tschirhart from the Sauz was a LaCoste visitor last Saturday.

Messrs. Paul, Henry and Francis Echtle attended the Stock Show in San Antonio last week-end.

Mrs. C. S. Hellums and Miss Marie Christilles were San Antonio visitors last Friday.

Mr. and Mrs. Herman Reus and baby from Hondo were visiting relatives here Sunday.

Mr. and Mrs. Otto W. Schneider from Delta were LaCoste visitors Tuesday.

Mrs. Margaret Keller and Mr. and Mrs. Branch Keller were San Antonio visitors Tuesday.

Mr. and Mrs. Walter Geiger and Miss Heien Geiger were San Antonio visitors Tuesday.

Mr. and Mrs. A. P. Parma and sons were visiting homefolks at LaGrange the first of this week.

Very Rev. Dean Jacob Lenzen and Herbert A. Tondre from Castroville were pleasant visitors at our sanctum Tuesday.

Mrs. Oscar Reicherz left Saturday evening for her home in Del Rio after visiting relatives here the past week.

Mr. and Mrs. George Tondre and children and Mrs. Therese Zinsmeyer from Lytle were visitors here Sunday.

Mrs. Frank Zimmermann and daughter, Miss Florentine, from Spindletop were LaCoste visitors last Friday.

Mr. and Mrs. Wm. Ahr from here and Mrs. C. W. Ahr and daughter from Natalia were visiting Mr. and Mrs. Ferdinand Ahr in San Antonio Sunday.

Mr. and Mrs. George Christilles and Mr. and Mrs. D. J. Christilles and children were visiting Mr. and Mrs. L. G. Gutzeit in San Antonio Sunday.

Mrs. Henry Biediger underwent an operation at the Santa Rosa Infirmary in San Antonio Wednesday. At last reports she was getting along nicely.

Mrs. A. H. Ahr was taken to San Antonio last Thursday where she underwent an operation for appendicitis the same evening. Her friends will be pleased to learn that she is getting along nicely at this writing.

Mr. and Mrs. Fritz Tondre and daughter and Wm. E. Tondre from near Castroville were visitors here Tuesday. From here Wm. E. left for San Antonio where he will visit for several days.

C. W. Ahr, proprietor of Ahr's Service Station and garage at Natalia, was a business visitor at our office Wednesday. Mr. Ahr, a former LaCoste boy, is enjoying a nice patronage in his garage business at Natalia.

Miss Myrtle Hitzfelder and Herman Jungman took a pleasure trip to Austin Sunday. On their way home they stayed over at San Marcos and New Braunfels for short visits with friends. They report a very pleasant trip.

Mr. and Mrs. George Echtle and Sister Roche, Superior of St. Mary's Parochial School here, and Sister Mary Paul, Superior of St. Louis School at Castroville, were San Antonio visitors last Saturday. While

there the Sisters showed Mr. and Mrs. Echtle through Our Lady of the Lake properties.

The following members of the Deladona H. D. Club attended the regular monthly meeting of the Bexar County H. D. Council: Mesdames Joe O. Jackel, Henry F. Franger, E. J. Trip and Walter Geiger, and Miss Emma Lessing. After the meeting some forty council members and visitors repaired to the Original Restaurant for a "Dutch Treat" in observance of the date, February 29.

MEDINA COUNTY TO BE INCLUDED IN THE AMERICAN GUIDE BOOK.

Included among the projects of the Professional and Service Projects Division of the Works Progress Administration (WPA) are the Writer's Projects. The most important of these is the project known as the American Guide.

The American Guide (to be published in five regional volumes (arranged by States) is intended to answer the need for a comprehensive description of the United States. It undertakes to provide tourists with comprehensive descriptive material on the scenic, historical, colorful, unique and recreational points of interest in the country; for the student, author and research worker the Guide will compile rich source material of cultural, economic and historical value; and, most important of all, for the average citizen who cannot afford to travel extensively, yet is interested in all the resources of his country, the Guide will provide in simple language a medium to acquaint him with every section of this vast country. The Guide, by assembling material now scattered in various sources, will present information now not readily available. It will be so arranged as to acquaint the reader with the following of the various communities and their particular contributions to America's culture.

As by-products of the National Guide, material will be deposited in the states and local districts for state and local guides. Since the American Guide will supplement but not supersede road guides and other private publications, it is non-competitive and non-commercial. In its general scope it is intended to be of service to all private tour agencies, public carriers, local and national associations having to do with the conservation of historic monuments, natural beauties and the like, chambers of commerce and civic bodies, recreational clubs and societies, and all enterprises, public and private, which minister to the varied interests of the general public.

In each State a number of people have been set to work in all WPA districts to gather the data on the topics to be included in the Guide. Texas District No. 15 includes Medina, Maverick, Uvalde, Real, Zavala, LaSalle, Dimmit, Frio, Kinney, Val Verde, and Edwards counties. Because of the limited number of workers at our disposal it will be impossible to reach many communities under 10,000 in population. We must, therefore, depend on the communities themselves to supply us with material.

In order to assure thoroughness, it will be imperative to reach all communities, irrespective of size, and to receive from them up-to-date information on the towns and environs. Since complete and attractive Guide material on their community will be a source of pride to public-spirited citizens and civic organizations, they will be glad to aid in whatever way they can.

With this in mind the District Guide Supervisor makes an appeal to all citizens to send in such information, or references to sources of information, as they have or any of the following topics: Origin, pronunciation, and meaning of place names within the district; geographic areas, topography, climate, geology, fossil remains, natural resources (mineral plant, water, reclamation); agriculture; flora, fauna, history, archaeology; Indians, early settlement, folk ways; growth and development (town or county); racial elements; points of interest, including outstanding structures, historic remains, historic sites, archaeological remains.

(Indian mounds, etc.), education, manufactures, museums, homes or former residences of famous persons, cultural centers, social organizations, sports, and points of scenic interest.

It is hoped that this appeal will bring to light many points of interest in your locality which would otherwise be undiscovered. Can you furnish unusual or unpublished material on any of the above topics? If so, send it in; by doing so you will be rendering a service to the compilers of the Guide as well as to your community. If you write the material yourself be sure to give references to the source of your information. Address all your material to: District Supervisor, American Guide, Works Progress Administration, Uvalde, Texas.

SAN ANTONIO LIVESTOCK. Monday, March 9.

(Federal-State Market News Service)

All classes of livestock held fully steady as the market opened Monday at San Antonio. Calves showed added strength and sold slightly higher in spots. Receipts were light and consisted of only 161 cattle and 385 calves, including three rail loads on through billing. Trading was active on all classes except on heavyweight bulls which sold slowly but held to last week's price levels.

Good grades of calves and yearlings were active at \$6.75 and down; medium grades, \$5.00 to \$6.00, with common kinds and "rannies" down to \$3.50. Fat cows held steady at \$4.75 and down; medium grades, \$3.50 to \$4.00; low cutter and cutter cows, \$2.75 to \$3.50. Bulls in light supply and sold slowly at \$4.75 down to \$3.50 for light weights. Few stocker calves at \$9.00 to \$6.00.

Hogs, 77 head. Market active and fully steady with last week's close. Top of \$8.75 paid readily by all interests for best 175 to 250 pound truck offerings. Desirable 140 to 150 pound butchers, \$7.50 to \$8.25; 150 to 170 pounds, \$8.25 to \$8.50; 275 to 350 pounds, \$8.00 to \$8.25; packing sows mostly \$7.00 to \$7.75. Fair demand for feeder pigs at \$7.00 to \$7.25.

Few shorn lambs brought \$7.00. No wethers on offer. Goats quotably steady at \$1.50 to \$2.50, according to condition and quality.

Receipts shown are from 6 A. M., Saturday, to 6 A. M., Monday.

FOR RENT.

Two-room cottage, furnished or unfurnished; electric lights and gas; new linoleum on both floors; good garage. Phone 127 3-rings or call at Anvil Herald office.

Four-room, hall and bath, cottage, close in, on graveled streets. Electric lights and gas; screened back porch; two large lots. Phone 127 3-rings or call at Anvil Herald office.

UNSELFISH.

The old maid knelt at her bedside to say her evening prayer. "Oh, Lord!" she said, "I don't ask anything for myself, but please send father a good son-in-law."

Don't Prolong The Agony!

Next time you suffer from Gas on Stomach, Headache, Sour Stomach, a Cold, Muscular, Rheumatic, Sciatic or Periodic Pains; That Tired Feeling, That "Morning After" Feeling. Get a glass of water and drop in one or two tablets of

Alka-Seltzer

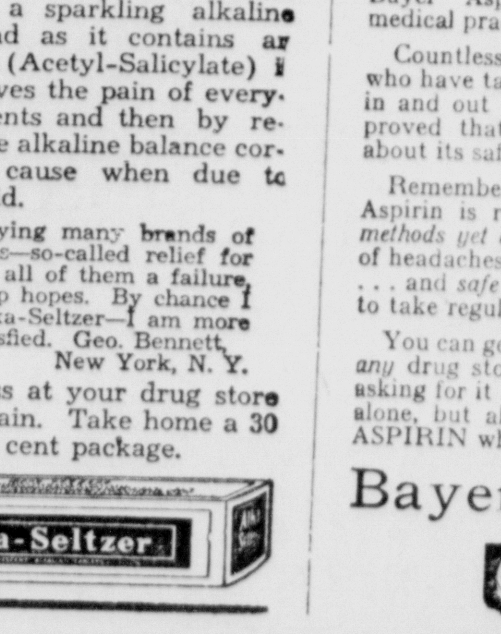

The New Pain-Relieving, Alkalizing, Effervescent Tablet

Watch it bubble up, then drink it. You will be amazed at the almost instant relief.

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid.

After trying many brands of medicines—so-called relief for gas, and all of them a failure, I gave up hopes. By chance I tried Alka-Seltzer—I am more than satisfied. Geo. Bennett, New York, N. Y.

Get a glass at your drug store soda fountain. Take home a 30 cent or 60 cent package.

DEVINE NEWSLETS.

FROM THE DEVINE NEWS.

Therman Meeks and John Wickham of Brackettville visited here and at Hondo this week.

FROM YANCEY.

Mr. W. B. Ward and brother, Joe, went to San Antonio last week and brought their father home from the hospital where he had been under treatment for several weeks. Mr. Ward has improved a little.

Mr. Coy Worley has been ailing for some time, and seemed to get along very well but took a turn for the worse, and his family took him to San Antonio where he is at the Medical Arts Hospital.

Mr. and Mrs. McCrea went to San Antonio Friday and Saturday of last week to see about Mr. Coy Worley.

Rev. C. F. Staben of Cotulla and Mr. Andrew Zender were here for the week-end and went to Kenedy on business.

Mr. Ernest Holub of Cotulla spent the week-end with homefolks.

Mrs. John Martin and baby girl of the Verdina section are visiting her parents, Mr. and Mrs. Herman Faselier, for several days.

Mr. and Mrs. Herman Faselier went to Quibi on business one day last week.

Last report we have of Raymond Fohn is that he is out of the hospital, and may be brought home Sunday, March 1st. It is not certain whether his eye will be injured or not.

Early Monday morning it began to rain and it seems we will have a good rain to make planting corn possible.

Mr. J. G. Weekley returned from Smiley Sunday, leaving his mother very ill in the hospital at Cuero.

Miss Frankie Wiley has been on the indisposed list for several days.

Miss Rauline McAnelly is enjoying a visit from her friend, Miss Vera Watts, of San Antonio.

Mr. and Mrs. Jack Burgin and Mrs. Fred Burgin of Refugio visited their mother last week.

Prof. Skinner and family were visitors in the Capitol City last week-end.

Mr. Barney Moss and children visited Mr. Roy Breiten and family last Sunday.

We do job printing.

Find Out

From Your Doctor if the "Pain" Remedy You Take Is Safe.

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

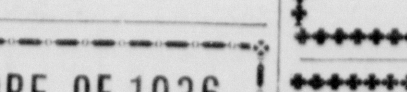

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains... and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.

Bayer Aspirin

HONDO F. F. A. ENTERS BASKETBALL TOURNAMENT IN COTULLA.

The basketball team of the Hondo F. F. A. went to Cotulla where they entered the basketball tournament which was held Saturday. Hondo dropped the first game, and was eliminated from the tournament, but as the main reason for going was to attend the District Chapter Meeting, nothing was lost.

In the meeting which was held, a delegate was elected to represent the Winter Garden District in the convention which is to be held in Fort Worth Thursday. The Hondo delegates to the meeting were Hugo Schweers and Hugh Meyer.

The scores of the District F. F. A. basketball tournament are as follows: First round, Cotulla, 30 Hondo 14; Crystal City 39, Carrizo Springs 9; Yancey 54, Dilley 4. Cotulla drew a bye to the finals. Semi-final round: Yancey 50, Crystal City 16; and the final score was Yancey 74, Cotulla 10.

—Owlets— H. E. CLUB.

The District H. E. Club met Saturday, March 7, in Yancey. Six of the Hondo H. E. Club members, Lela Grace Reilly, Florence Zuberbuehler, Ethelyn Ney, Jo Reilly, Ginger Fusselman, and Earline Watson, and the sponsor, Miss Stubbs, attended the meeting.

Each town represented at the meeting rendered a part on the program, which was given from 10:30 to 12:00. A delightful lunch was then served to all by the Yancey girls. The business meeting followed.

More members should have gone. It is a wonderful opportunity to meet girls and to make new friends.

—Owlets— HITHER AND THITHER.

Florene Williams, Earline Watson, Evelyn Barnes, Fern Ulbrich, Lela and Jo Reilly, Velma Carter, Eva and George Hull, Burleigh Smith, and Orceneth Fly attended the Blue Bonnet Union meeting at New Fountain Sunday.

Ginger Fusselman spent Friday in San Antonio.

Murrel and Henry Stiegler, Jack H. Monroe and George R. Sonny G. Jack S., Hugo S., Babo W., and Thomas D. represented the F. F. A. Chapter in a basketball tournament at Cotulla Saturday.

San Antonio had many High visitors and shoppers over the week-end.

Those attending the dance at Quihi Saturday night were: Joycelyn Mumme, Florene W., Gwen G., Zonie T., Ethelyn N., Earline W., Hugh M., Anna Marie S., Murrel S., and Johnny M.

Fern Ulbrich, Orceneth Fly, Evelyn Barnes and Will Heyen visited Clara Bell Blackaller Sunday.

Monroe Langford was a Bandera visitor Sunday.

Anthony J. Fred B. Meyer M., and John Cameron were Sabinal visitors Sunday.

Dola, Tom, and Josephine McCall, all from College Station, visited Velma Carter over the week-end.

Mary Kate and Howard Huesser spent Friday night and Saturday on their ranch.

Mildred Martin spent Sunday in Yancey.

—Owlets— F. F. A. TO HAVE TRACK TEAM.

The local chapter of Future Farmers of America will entertain the other chapters in the Winter Garden District with an invitation track and tennis meet, sometime after the District Meet. The following Chapters are included in this district: Yancey, Pearsall, Dilley, Cotulla, Carrizo Springs, Crystal City, and Hondo.

—Owlets— TWILIGHT TEA.

On the twentieth of April the H. E. Club and the Choral Club plan to give a twilight tea in the auditorium and the Home Economics room. The entertainment will be furnished by the Choral Club and the H. E. girls will serve. Everyone is cordially invited to drop in for tea.

—Owlets— SUB-DEB MEETING.

Sue Muennink was hostess of the Sub-Deb Club at her home Thursday night. Quite a few of the charter members were not present. Refreshments of ice cream and cake were served to Sis Merritt, Sis Meyer, Jean Merriman, Bill Merritt, Francis R. Fly, and the hostess, Sue Muennink.

—Owlets— THE FOURTH GRADE.

The fourth grade has been learning Centennial songs and have also been drawing Centennial pictures. We have started a bulletin board, on which we will place different kinds of flowers to be found in the State of Texas, the bluebonnet being the state flower.

THE SIXTH GRADE.

We sixth graders are enthusiastic over some new flower boxes we are planning to put in our windows. Some of us became a little too excited over our little enterprise, and bought an oversupply of seeds. Two young ladies among us purchased five packages of seed for just one of the window boxes. Their explanation was that the pictures on the seed packages were too pretty to overlook.

Of course, some of the seeds they selected were a trifle inappropriate for window boxes, but I don't think this occurred to the young ladies to whom I refer. Imagine seeing a forest of sweet peas, nasturtiums, snapdragons, zinnias, heliotrope, sunflower, and hollyhocks all in a box 1 x 1 1-2 feet. No doubt, these young ladies hoped that out of the conglomeration, there might spring a giant bean stalk, similar to that one belonging to our childhood story-book hero.

Perhaps most of us do not expect anything so miraculous, but we are looking forward to our spring gardens and we invite you to enjoy them with us.

Billy Ney, Melford Carter, and Herbert Bulgerin and Ella Ray built the boxes while Ruth McWilliams, Eloise Kollman, Walter Haass, and Melford Carter are chief gardeners.

—Owlets— FIFTH GRADE.

Frances believes in variety. She visited Woodward ranch Sunday and then on Monday she went to San Antonio.

Dorothy Marie has already gone camping. We wonder if she encountered Mr. Redbug while on the outing.

Glenrose, Stella and Leslie attended a surprise party given for Mr. Breiten. They all made merry.

Sunday, Geraldine and her folks motored to Smith Dam.

Betty Lou visited in Devine Sunday.

Miss Shaw visited her mother this week-end.

—Owlets— P. T. A. MEETING.

The P. T. A. met Monday, March 9, in the auditorium of the school. Those present were entertained with a delightful program before the business part of the meeting began. The first thing on the program was a piano solo by Evelyn Knopp. This was followed by two numbers which were sung by Evelyn Barnes. These two numbers were followed by a duet by Merle and Jean McCall, the former on the flute, while the latter accompanied her on the piano. Mr. Starnes then gave a very interesting as well as beneficial lecture. The business meeting then followed.

—Owlets— THE FIRST GRADE.

We have a new pupil in our class. Her name is Norma Jean Robinson. Jacquelin Hollmig is back in school again after being ill with the mumps.

We are drawing different kinds of birds to decorate our boards for the spring.

We brought many kinds of seeds and planted a flower garden.

—Owlets— BASEBALL SUITS ISSUED.

Baseball suits were issued to the following boys during the past week: Edward Finger, Jack Hartung, Kyle Muennink, Monroe Rucker, Bob Zerr, Walter Nester, J. H. Rothe, Roy Bohlen, and Olen Koch. Other individuals will receive suits as soon as they show some "stuff" on the diamond.

—Owlets— PRACTICE MAKES PERFECT.

The tennis players have been practicing for the past several weeks, and there are some fine prospects out of the grades and the high school. Keep on, boys and girls, and don't give up the ship!

—Owlets— THE SECOND GRADE.

Buddy Garber, Ruth Parsons, and Arthur Dawson are on the sick list. We hope they will be back in school soon.

1913 OWNER GETS NEW CHEVROLET.

Hiram H. Dohner, 70, of Quentin, Lebanon County, Pa., was found to be the owner of the oldest Chevrolet licensed and in daily use in the United States in a contest conducted by Chevrolet Motor Company recently. Mr. Dohner will be presented with the one millionth car built in 1913, a 1936 model.

Mr. Dohner owns and drives Chevrolet No. 470, a 1913 Royal Mail roadster, which he purchased from a Chevrolet dealer in Lebanon, Pa. He has already received official notification from Chevrolet officials, and will shortly drive his present 22-year-old car to Detroit, where he will inspect Chevrolet factories and take delivery of his new 1936 model.

Mr. Dohner is a carpenter in Quentin, a hamlet in the valley of the Susquehanna, with a population of nearly 500 people. He has been a versatile all his life but, like the carpenter and ingenious people who live in small towns, he can do many things. He can take care of an automobile in a way that would prove surprising to the modern motor car owner. The fact that his present car has served him and served him well for 22 years, piling up a total of more than a quarter million miles, proves the value of motor car care.

In recent conversations with Chevrolet officials, who apprised him of his good fortune in winning a new car as a reward for his care of his old one, some pertinent facts about America and some tangible things about the results of the machine age were brought out. Chief among these are some elusive shadings concerning that phrase in the Constitution of the United States which reads—"the pursuit of happiness."

Back in 1914 Mr. Dohner, who was born and raised in the little town in which he now lives, needed work and he sought work in the larger towns surrounding his home. One of his jobs at that time was on the new factory of the chocolate company which gives Hershey, Pa., its name. There was a man who drove a horse and carriage over to Lebanon, five miles away, and then Mr. Dohner took the train to Hershey. One day the man stopped his stage line and Mr. Dohner was in a quandary about transportation. He talked it over with his wife, Mary, and they bought the Chevrolet.

That solved his problem. He was still able to live in Quentin and drive to his work with personal transportation, the product of the rising mass production of the machine age, which brought the price of the automobile within reach of nearly everyone.

Hiram Dohner continues to drive the same automobile that he bought in 1914 and it is in excellent condition. He is still a carpenter and he makes a comfortable living.

But it doesn't cost much for living in Quentin. Hiram has a two-and-a-half story frame house on a lot that is about a half acre and he has a chicken house and a dozen or so fruit

trees and a garden patch. And his wife has her flower bushes and racks for blooming vines.

The house is painted a light grey with a darker grey trim. Each window has a shutter but none of them sag. The place is as neat and trim as only can come from one who "looks after" things.

The Dohners have lived there for twenty years. They lived in a house just a few yards away for twenty-two years.

Yes, the Dohners are pretty well on in years as they are measured Biblically or by modern standards. Hiram is 70, Mary is 73.

She has the loveliest white hair and easy smile that one could find in a month's search. Her grey eyes are still filled with life and laughter. She has a huge stove in the commodious kitchen that could cook a meal for a small hotel of guests. It is as shiny and polished and well kept as Hiram's automobile.

There are foot wipers on the porches by the outside doors made of burlap that was at one time a sack. The inside of the house is warm, even in winter.

Both of these people take care of things. They laugh and smile easily at each other. Mary makes half-fun of something that has been said about the old car that still runs. They take care of things. They are happy.

And the car has helped immeasurably.

"Nothing the world could give me for \$775 would have brought half the happiness as my car," said Hiram. He has a slight accent. It is the Pennsylvania "Dutch" country. "It makes me independent of transportation. We have never been in an accident."

DANCE

QUIHI GUN CLUB HALL

SATURDAY NIGHT
MARCH 21st

Old and Modern Music by
MOUNTAIN COWBOYS

Adm. Gents 35c, Ladies 15c

"It was always easy for me to get service. I expected that from Chevrolet and was never let down. It was a company that I depended on."

"If I have something good, I'm going to stick to it. That's what I thought of this machine."

Mrs. Dohner was asked if she ever drove the car. She looked a bit astonished.

"No and I won't," she replied. "I'm afraid to do that. I'd sooner sit inside and look. That's better."

Did they ever make any long touring trips?

"We drove over to Gettysburg twice," she smiled, "and once over to Crystal Cave but no long trips."

How about tire mileage?

Hiram turned around from unbuckling the hood.

"Those front tires have been on for eight years. The rear ones pretty near six."

He said tires last longer since the roads are good and that he wanted the state highway departments to continue their fine work of building roads.

To manufacturers of motor cars, Hiram sends this message—"Keep making automobiles that are low in cost so that poor as well as rich may have them," he said emphatically. "That's right—that's American."

It is important to go places comfortably, just as it is important to go swiftly, safely and economically. . . .

And Chevrolet for 1936 maintains its title of the only complete low-priced car by being the only car in its price range with the famous Knee-Action Gliding Ride*—the smoothest and most comfortable known.

It is also the only car in its price range with New Perfected Hydraulic Brakes, Solid Steel one-piece Turret Top, High-Compression Valve-in-Head Engine, and many other features of the first importance.

See and ride in a new 1936 Chevrolet—today!

LOCAL, PERSONAL AND BUSINESS ITEMS FROM THIS BUSY BURG

W. F. NAEGELIN, LOCAL REPRESENTATIVE

News and advertising copy for this column for the week's issue should be submitted to Mr. Naegelin or mailed direct to us at Hondo not later than Tuesday night of each week. Mr. Naegelin is authorized to collect and receipt for any business for this paper.

CASTROVILLE, TEXAS, TUESDAY, MARCH 10, 1936

MARRIED ON TOP OF CROSS HILL.

Last Sunday morning, March 8, 1936, at 10 o'clock, Leo Collard of Wichita, Kansas, and Miss Phyllis Beam of Coffeyville, Kansas, were united in marriage, standing on the Cross Hill. Anton F. Haller, our accommodating Justice of the Peace, performed the ceremony. Those who witnessed the marriage were Mrs. Emma Johnson and Miss Billie Volkman, of Garden Plain, Kansas. Mr. and Mrs. Collard are a pleasing young couple and will make their home at present at Three Point Tourist Court. Mr. Collard is an artistic sign painter of indoor show or theatre curtains.

HAIL INSURANCE ON GROWING CROPS, OATS, CORN, MAIZE, SUDAN GRASS, AND COTTON. A. F. HALLER, AGENT.

Mrs. Russell Zierenberg and Russell, Jr., from Louisville, Kentucky, are staying with Mr. and Mrs. Ralph L. Tschirhart for some time.

Mr. Oscar Bendele and family of the French Settlement were business visitors here Monday.

Corn planting is in full swing and it seems that all are in a hurry to get the grain into the ground.

A large number of our people too numerous to mention and about 50 school children attended the Pontifical High Mass in San Antonio last Friday, March 6th, it being the 100th anniversary of the fall of the Alamo. About 20,000 attended, Alamo Plaza being one solid mass of humanity. The altar was in front of the Alamo. As all remember history on that day, 100 years ago, Santa Anna stormed the Alamo and killed its defenders, 187 in number, and burned their bodies. Bishop Byrne of Dallas delivered the sermon, which was a masterpiece of eloquence, calling to mind the early struggles of the colonists and the present day tendency to avoid those principles for which they died and died.

About one-half inch of rain fell here early Sunday morning.

A cool rain struck here early Wednesday morning and overcoats are again in demand after several weeks of warm weather.

Mr. and Mrs. Frank Tondre from the East Side were business visitors here Saturday.

Walter Sumnerland, colored, was a Natalia visitor Sunday.

Armin and Albert Schneider of the French Settlement were visitors here Saturday.

The infant girl of Mr. and Mrs. James G. Fitzsimon was baptized Sunday, March 8, and was given the name Theodora Margarite. Sponsors were Mr. Harry Haby and Miss Agnes Haby.

Mrs. Hilmer Mangold visited her parents, Mr. and Mrs. August Schuehle, on the Upper Hondo for several days last week.

Lion, Joe Caldwell of Asherton passed through here Thursday on his way to San Antonio. Joe's hat is in the ring again, as he "Chooses to Run".

Coming to the changeable weather a large number of our people are still on the sick list.

CASTROVILLE ZION'S LUTHERAN CHURCH.

Sunday, March 15.—Sunday school and Bible class at 9:30 A. M.

Divine services in English at 10:30 A. M. Dr. Paul F. Hein, Supt. and pastor of Grace Lutheran Sanatorium of San Antonio, will preach the sermon. A special Lenten offering for our Charitable Institutions will be taken.

Our next Lenten service in English will be held on Wednesday, March 18th, at 8:00 P. M.

All members and friends are especially invited to attend these services.

K. KONZACK, Pastor.

Called From The Castroville Page.

The LaCoste Ledger, March 6.

Joe Tschirhart, Sr., of Noonan was a visitor here last Saturday.

Miss Mabel Tondre was a San Antonio visitor last Thursday.

Miss Josephine Brymer of Bandera was visiting here Sunday.

Mrs. Anna Weiblen was visiting at Quibi Sunday.

Mr. and Mrs. Joe Biediger were Hondo visitors last Thursday.

Mr. and Mrs. Clemens Kempf and son, Lloyd, from Campbellton, Texas, were visitors here Sunday.

Miss Marie Christilles and little niece and nephews from LaCoste were short visitors here Sunday.

John Tragger, who is staying in San Antonio for several days, was a visitor here Tuesday.

Mr. and Mrs. Alex Tschirhart and children spent Saturday and Sunday at New Braunfels.

Com. H. J. Bippert and nephew, Henry Tschirhart, were LaCoste visitors last Saturday.

Mr. and Mrs. Clark Tondre and Horace Mann of San Antonio were visiting here Sunday.

Miss Mollie de Montel of San Antonio was visiting at the de Montel home here Sunday.

Mr. and Mrs. Joe Biediger were the guests of Mr. and Mrs. Amos Biediger and daughters at Schertz Sunday.

Mrs. James Herbert Tondre and J. F. Schott were San Antonio visitors last Thursday.

Mr. and Mrs. Leo Zinsmeyer and daughters, June and Marlene, of LaCoste were visitors at Quibi Sunday.

Woodmen of the World Distributes \$320,000 to Texas Members

MORE than \$320,000 has been paid to members of the Woodmen of the World in Texas within the last week, it was announced at national headquarters in Omaha, Nebraska, by De E. Bradshaw, president. The money received by Texas members of the fraternal society was part of a fund of more than \$1,800,000 distributed to more than 300,000 members of the Woodmen of the World in 44 states of the Union.

The \$1,800,000 was distributed in the form of refunds and is the largest amount of money ever distributed at one time to members of a fraternal society, according to Bradshaw. The payment to each member of more than two years standing was based upon the assets on hand, duration of membership, and the annual contribution of the members.

The writing and preparation of the checks for mailing gave employment to an additional force of more than 80 young men and women. The most modern automatic check writing machines were used in the process.

In connection with the record refund payment, Bradshaw announced that last year the Wood-

men of the World added to its assets more than \$4,500,000. "The total amount of benefits now in force," he said, "exceeds \$413,000,000 and the total gross assets on hand are more than \$124,000,000. Eighty-seven thousand adult members were added and more than \$87,000,000 of insurance written."

Distribution of the \$1,800,000 to the Woodmen of the World members throughout the United States came just a few days before the launching of the organization's annual "President's month" campaign. This drive has become an annual feature of this fraternal society in honor of President Bradshaw.

In his annual report for 1935 President Bradshaw reported an unusually satisfactory growth for the strongest fraternal life insurance society in the world.

He also pointed out that fraternalism is stressed by the Woodmen of the World and that during his administration there has been manifest among the membership an unusual interest in field days, class initiations, state and national meetings and other similar fraternal activities.

FINE FARM FOR SALE.

The L. J. Schmidt 640-acre farm, 1 1/2 miles northeast of Yancey and one mile east of Yancey-Hondo road, is for sale on easy terms. This is a beautiful tract of land lying in a square and is faced along the entire south side by a public road. It is a fertile, sandy loam soil and every foot is tillable. There are three fields, one of 185 acres, another of 145 and another of 10 acres, or a total of 340 acres in cultivation. The balance of 310 acres is divided up into two pastures and a trap for work stock, and all three are accessible to and are watered by a large earthen tank. This tank is kept constantly supplied by the overflow from a never-failing well nearby. The well is fifty feet deep and has never failed in water. It is equipped with windmill. Also there is a 90-foot drilled well with a head of 45 feet of water within 100 yards of the center of the tract. Place is well fenced throughout, has two comfortable tenant houses, big double barn and other out buildings. Property is located in a good neighborhood, in easy walking distance of a first class agricultural high school, postoffice, store, and Methodist and Baptist churches. Place will be sold at a moderate price, on easy terms. The man wanting a good farm home or a farm investment, close to both a proven oil and gas field, will do well to see or communicate at once with either the owner or either member of the HONDO LAND CO.

Fletcher Davis, Phone 127, Geo. H. Kimmey, Hondo, Texas.

If you or your family read the German language—and all who speak it should read it—you need the Freie Presse fuer Texas, the great German language weekly newspaper of Texas. It sells for only \$2.00 per year. Remit through this office and get it and FARMING both for the \$2.00. Order the Freie Presse sent to your home and encourage the young people to enjoy the vast treasures of German literature.

GIVE CREDIT WHEN DUE.

If the following isn't a national record, it is at least a remarkable achievement:

Drivers of vehicles of the Oklahoma Gas and Electric Company have, in the last ten years, driven 38,000,000 miles without a fatal accident. This is equal to driving around the earth at the equator 1,520 times, or making the round trip from New York to Los Angeles 6,500 times, or 26 years of continuous driving at 400 miles a day.

If anything were needed to prove that the terrific death rate charged up against automobiles is unnecessary, these facts are the evidence required.

The rules and regulations of the Oklahoma Gas and Electric Company which govern its drivers from the standpoint of inspection of equipment, training of personnel, examination of eyesight, etc., could be followed by every single driver in the land. If they were followed, the death rate from automobiles would be practically eliminated.—Industrial News Review.

A GOOD BUY.

The Upton McGary homestead in the south part of town, large roomy house with all city conveniences and modern improvements in good state of repair is for sale at a reasonable price and on terms to suit satisfactory party. House situated on all of Lot 4 and part of Lot 5, in Block 3, and in short walk to postoffice and both schools. At the price a good buy either for one wanting a good comfortable home or an investment in Hondo. For further particulars see either Fletcher Davis or George Kimmey, the agents.

to whom all items intended for this column should be handed not later than Wednesday noon of each week. Miss Rothe is authorized to collect and receipt for money due this paper.

D'HANIS, TEXAS, WEDNESDAY, MARCH 11, 1936

Mr. and Mrs. Henry Weyand have received the glad news that their daughter, Mabel, who has been in an Austin hospital, is greatly improved and will return to her school.

Messrs. John and Jacob Rothe of San Antonio were here Tuesday on a visit to their brother, Oscar Rothe, who has had a severe spell of illness.

Mrs. Herman Vogel and little son, Jackie, arrived here from Borger, Texas, on Tuesday. They will be guests in the Jacob Vogel home for a few weeks.

Guests of Mr. and Mrs. F. J. Carle Wednesday were Mr. Fred Carle, Mr. J. W. Miller, and Mr. and Mrs. Edward Carle of San Antonio.

Mrs. R. J. Zerr and baby of Hondo visited her mother, Mrs. Mina Koch, on Tuesday.

Mr. and Mrs. George Mandry and Mr. Leo Mandry were here Tuesday to be with their sister, Mrs. Ed Koch, during her severe illness.

Mr. Edgar Ney of Corpus Christi visited his mother, Mrs. Elizabeth Ney, Sunday.

Mr. M. R. Henners of San Antonio and Mr. and Mrs. W. H. Vinson of Port Arthur visited Mr. and Mrs. V. D. Currin Thursday, en route to Laredo and Uvalde.

A large number of people from here attended the Alamo memorial services in San Antonio Friday.

BIRTHDAY CELEBRATION.

Mr. and Mrs. Leopold Weyand were hosts to their children and other guests at dinner Sunday, March 8. The occasion was Mr. Weyand's 82 birthday anniversary.

Those enjoying the event were Mr. and Mrs. Hubert Conrad and children Mrs. John Crowder Jr., Mrs. Louise Curl and son, Jack Selman Jr., and Eddie Plaquier of San Antonio; Mr. and Mrs. Carl Rudinger and daughter, Lucille, and Adam Weyand, of D'Hanis.

SECO COMMUNITY P. T. A.

The regular meeting of the Seco Community P. T. A. was held last Friday night, March 6. This being Alamo Day, a commemorative program was presented by the pupils of the school as follows:

1. High Lights of 1836—5th and 6th grade girls.
2. Being Proud—Recitation—Evelyn Lutz.
3. Heroes of March Second—Wayne Stevens.
4. Flags of Texas.
5. Indians I Like—Clair Sue Stevens.
6. Siege of the Alamo—Lucille Pichot.
7. March Second Acrostic—Primary Pupils.
8. Pioneers of Texas, song and dance in costume—Grades, 6-9.
9. Pioneer Women of Texas—Bertha Weyand.
10. Song, "Texas Our Flag"—Assembly.

The meeting was called to order by the president, Mrs. Geo. Bendele and the secretary Mrs. Louise Pichot, read the minutes of the preceding meeting. Miss Josie Rothe reported the purchase of a Texas flag by the

club for the school. It was decided that the men serve ice cream at the April meeting. A committee was appointed to nominate candidates at the next meeting. The members of this committee are Messrs. Louis Pichot, Eric Rothe, and W. A. Weyand, and Messrs. Herman Poerner and Wallace Lutz. During the social hour, coffee and cake were served. Plate favors were made by the pupils. The hostesses were Misses Margaret Lutz, Emma Rudinger, and Sara Rothe.

PLANS FOR FORT LINCOLN CELEBRATION GO FORWARD.

Upon invitation of the D'Hanis Agricultural Club to attend its meeting at the High School Auditorium on Thursday evening, March 5, about 50 citizens met to make plans for the Fort Lincoln celebration, which will be held on May 26. J. P. Pichot was elected chairman of the celebration, and Miss Josie Rothe is secretary. A. J. Boog read an official description of the fort as it was established in 1849. The Historical Commission of the Texas Centennial has offered to place a permanent monument on the site of the fort. The following committees were appointed: monument, Paul Reinhardt and H. C. Rothe; entertainment, Mr. A. J. Boog, Mrs. Louis Carle, Mrs. Alice Reinhardt, and V. D. Currin; advertising, Joe Carle and Joe Koch; foods, Hy. Biry, John Kiehn, A. J. Finger and Gus Rothe.

At a second meeting on Tuesday evening a motion to hold the celebration at Fort Lincoln was carried. Plans were made to prepare the historic spot for the event, and local business men agreed to close business houses on Wednesday afternoon, March 18, from 1 to 5:30 o'clock. The grounds committee, composed of J. J. Boog, R. F. Wolff, and Jacob Lutz, invited all men of the community to bring tools and help clean out underbrush on that day. The chairman appointed Louis Carle, M. M. Koch and H. C. Rothe as members of the finance committee.

TRADES DAY.

The following are the results of D'Hanis 11th Trades Day event: \$10.00, Juan Barella; \$5.00, Mr. W. R. Rudinger; \$1.00 each, Miss Ursie Rock, V. D. Currin, Antonio Sanchez, Mrs. John J. Love, and Joe Varella.

Trades Day was held Tuesday.

Why Gulf is the Gas for March

SURE AND IT'S almost the middle of March—the month the old thermometer makes an average jump of 5 to 13 degrees. The Moral?... That your gas should be made to fit the season! If it isn't, you're not getting all the mileage you should!... Switch to That Good Gulf today. It's specially refined to suit the season. Because it's "Kept in Step with the Calendar"—all of it goes to work, none of it goes to waste!

"Kept in Step with the Calendar" THAT GOOD GULF GASOLINE
